MEMORANDUM FOR: Director of Personnel

STAT FROM:

Liaison Division  
Office of Legislative LiaisonSUBJECT: House Permanent Select Committee on  
Intelligence Inquiry re the  
Annual Report that Addresses the Admin-  
istration of CIARDSREFERENCE: D/PERS memorandum to A/DCI dated 29  
December 1983, Subject: Review of the  
Administration of CIARDS

1. Mr. Mike O'Neil, Chief Counsel, House Permanent Select Committee on Intelligence (HPSCI), called today and asked that the Agency send someone down to talk with him about the subject report. He is interested in reviewing the specifics of the eighteen (18) CIARDS retirement cases in FY 1983 where some part of the 60 month qualifying service was accomplished with domestic as opposed to overseas service. He expressed a need to ensure that the CIARDS statutory requirements allowing the use of domestic service in accomplishing 60 months of qualifying service were being properly administered.

2. My sense of our short conversation is that Mr. O'Neil, in performing HPSCI oversight of the Agency, is looking to see whether or not we have abused our CIARDS authorities, Mr. Ruddock's reassurances notwithstanding. I would recommend that you make  as the Chairman and Legal Advisor, respectively, to the CIARDS Retirement Board, available for this meeting, which Mr. O'Neil would like to conduct in his offices on Friday, 24 February 1984. I will plan to accompany them.

3. Please let me know by Wednesday 22 February midday either of your agreement with the above plan or the details of whatever other manner you choose to satisfy Mr. O'Neil's needs so that I can confirm the arrangements with him. I have not communicated this HPSCI tasking with either the  
STAT Office of General Counsel or with rectly.
